CWE Registrants are not required to take Session 2- D1.1 Code Clinic. For this portion of the course, Registrants have the option of taking a Welder Qualification Test at WTTI. A valid Welder Qualification is a requirement for CWE certification. To schedule your Welder Qualification Test, contact WTTI at: 1-800-223-WTTI.

CWI and CWE certifications can be achieved simultaneously. If you are applying for both, you must also complete the following for CWE certification:

- Contact the AWS and register for the CWE exam
- Teach full or part time
- Provide a written reference letter from your teaching supervisor.
- Hold a valid Welder Qualification

Registrants who currently hold CWI, SCWI, or CAWI do not have additional testing requirements for CWE certification if they meet the criteria listed above.
